

Workshop Evaluation Form

Survey Consent

The following questionnaire is a part of our efforts to evaluate the program in which you have recently participated. This program is a partner with the ELIXR research program, which is funded by the Department of Education's Fund for the Improvement of Post-Secondary Education (FIPSE). The ELIXR program goal is to improve the effectiveness of faculty development programs through application of digital stories of exemplary teaching and the adoption of innovative teaching practices.

All of the information you provide us will be anonymous and our use of the data for research purposes will be limited to aggregated results. Our Institutional Research Board has approved the collection of these data for research purposes.

When you provide us with information on the Evaluation Forms, your responses will be included in this research; you may, of course, choose to not complete the Evaluation Forms and thus be removed from any applications of the resulting data for research purposes.

Please indicate your willingness to participate in this study below. Selecting 'yes' means you will allow your responses to be used in the evaluation of this program and that you understand that your responses will be recorded but reported only in aggregate with other responses.
